PARADISE BEACH PURVEYORS: DIPS, PITA BITS AND DESSERTS.

The team tasting these seven gourmet dips were so enthusiastic one was heard to murmur "three thumbs up" between mouthfuls. The eclectic range includes chicken liver and brandy mousse, *traditional hummus and tomato "mojo"*. Made from good quality ingredients in generous quantities, they're alarmingly moreish. The crispy pita bits were also a hit but Petits fours' most serious crush is on the coconut and mango panna cotta.
